Government Code § 11139 – Compiled March, 2011

Our review of the annotated history reveals the following legislative history (every “c.” below represents a separate legislative bill):

Added: 1977, c. 972

Amended:

1999, c. 591: among grammatical and technical changes, this amendment also added the fourth paragraph

2001, c. 708: added “which shall be independent of any other rights and remedies” in the last paragraph.

Your review of the above annotations will help you determine which bill or bills will be relevant to your research focus within § 11139.

Tracing Statutory Language:

- Research fees can be minimized by ordering only the bills that affected specific subdivisions or phrases of interest to you.
- Changes to statutes can sometimes be determined by the annotations provided by Deering’s, Westlaw, and Lexis.
- **If annotations are not available, one strategy** is to look at each chaptered law noted above to observe the changes. **Another strategy** is to retain us to *trace* your language and report our findings back to you.
