## **Harbors and Navigation Code § 62.8 – Compiled May 2011**

Our review of the annotated history reveals the following legislative history (every “c.” below represents a separate legislative bill):

Added: 1966x, c. 1x

Amended:

- **1967, c. 561** to delete “with the approval of the Department of General Services” in the first paragraph
- **1987, c. 745** to make grammatical changes and to substitute “Harbors and Watercraft Revolving Fund:” for “General Fund”.

**There are three bills that affected § 62.8. Your review of the above annotations will help you determine which bill or bills will be the most relevant to your research focus.**

### **Tracing Statutory Language:**

- Research fees can be minimized by ordering only the bills that affected specific subdivisions or phrases of interest to you.
- Changes to statutes can sometimes be determined by the annotations provided by Deering’s, Westlaw, and Lexis.
- **If annotations are not available, one strategy** is to look at each chaptered law noted above to observe the changes. **Another strategy** is to retain us to *trace* your language and report our findings back to you.

**SINCE 1974, LEGISLATIVE INTENT SERVICE, INC.,** has provided the legislative and regulatory history for all state statutes and regulations. You can order legislative history research in **two different ways:**

1. **Traditional Custom Research** for a per-bill fixed research fee, based on time-frame.
2. **Store Research** for \$300 per bill, available for immediate download at [www.legintent.com](http://www.legintent.com).

We appreciate the opportunity to provide this assistance. **Contact us** if you have any questions or wish to place an order for custom research or tracing.
