### **Tracing Statutory Language:**

- Research fees can be minimized by ordering only the bills that affected specific subdivisions or phrases of interest to you.
- Changes to statutes can sometimes be determined by the annotations provided by Deering’s, Westlaw, and Lexis.
- **If annotations are not available, one strategy** is to look at each chaptered law noted above to observe the changes. **Another strategy** is to retain us to *trace* your language and report our findings back to you.

**SINCE 1974, LEGISLATIVE INTENT SERVICE, INC.,** has provided the legislative and regulatory history for all state statutes and regulations. You can order legislative history research in **two different ways:**

1. **Traditional Custom Research** for a per-bill fixed research fee, based on time-frame.
2. **Store Research** for \$300 per bill, available for immediate download at [www.legintent.com](http://www.legintent.com).
