Labor Code §§ 1174 – Compiled March, 2011

Our review of the annotated history of this statute reveals the following legislative history (every “c.” below represents a separate legislative bill):

Prior History: Former uncodified § 3 of 1913, c. 324; 1927, c. 248; 1929, c. 256

Current: 1937, c. 90 (nonsubstantive codification); 1945, c. 1431; 1972, c. 1122; 1979, c. 373; 1990, c. 1379; 2000, c. 876

There were nine bills that affected § 1174, but not all of these bills will be relevant to your research focus within the section. *For example*, you should skip the 1937 codification bill as that bill was merely a nonsubstantive codification of the former law.

Tracing Statutory Language:

- Research fees can be minimized by ordering only the bills that affected specific subdivisions or phrases of interest to you.
- Changes to statutes can sometimes be determined by the annotations provided by Deering’s, Westlaw, and Lexis.
- **If annotations are not available**, one strategy is to look at each chaptered law noted above to observe the changes. **Another strategy** is to retain us to *trace* your language and report our findings back to you.

SINCE 1974, LEGISLATIVE INTENT SERVICE, INC., has provided the legislative and regulatory history for all state statutes and regulations. You can order legislative history research in **two different ways:**

1. **Traditional Custom Research** for a per-bill fixed research fee, based on time-frame.
2. **Store Research** for \$300 per bill, available for immediate download at www.legintent.com.

We appreciate the opportunity to provide this assistance. **Contact us** if you have any questions or wish to place an order for custom research or tracing.
